Road Map

General

Welcome to the training center at Tyco Security Products EMEA in India-Bangalore.

This document contains important information and advice for those attending a training course with us.

The training facility is shared with the Tyco Security Products sales, boardroom and demonstration console. The training room is well ventilated and air conditioned room allowing up to 8 delegates to attend training. Two delegates share one workstation with the necessary training equipment.

All courses presented in India-Bangalore are part of the EMEA training schedule. You can view this schedule online or ask your organization training coordinator to do so for you <http://www.tycosecurityproductsemea.com/trainingsecurity.htm>. All training enrolments and associated enquiries can be emailed to apac.training@tycoint.com. Deadline for enrolment is 14 days before the course commences, Should you need to cancel a course please send us an email immediately. Please note that each course is chargeable and a no show carries a full course fee penalty.

Address:

**Tyco Security Products
C-602 RMZ Centennial, Kundalahalli Main Road,
Bengaluru-560 048**

Phone: +91-9739669000 (Contact :- Parthasarathy)

Time: Unless otherwise stated; all courses start as 09:00am and finish at 05:00pm.

On your arrival, Sign-in at the main building entrance security gate (RMZ Centennial) and proceed towards “C” block and use the elevator to come to the 6th floor. Sign-in at our reception security desk; they will contact our trainer to guide you from this area to our training location. Please ensure that your travel arrangement accommodate arrival and departure so that you do not miss out on any training intervention time.
