## General

Welcome to the training center at Tyco Security Products APAC in Pudong Shanghai China. This document contains important information and advice for those attending a training course with us.

The training facility is shared with the Tyco Security Products sales, boardroom and demonstration console. The training room is well ventilated and air conditioned room allowing up to 8 delegates to attend training. Two delegates share one workstation with the necessary training equipment.

All courses presented in Shanghai are part of the APAC training schedule. You can view this schedule online or ask your organization training coordinator to do so for you <http://www.tycosecurityproductsemea.com/trainingsecurity.htm>. All training enrolments and associated enquiries can be emailed to [apac.training@tycointl.com](mailto:apac.training@tycointl.com). Deadline for enrolment is 14 days before the course commences, Should you need to cancel a course please send us an email immediately. Please note that each course is chargeable and a no show carries a full course fee penalty.
